Bali is the most popular island holiday destination in the Indonesian archipelago. You'll experience a fine combination of sandy beaches and rolling surf in Bali. The island is also home to an ancient culture that's known for its warm hospitality. Exotic temples and palaces set against stunning natural backdrops are some of its top attractions.

Best Time to visit Bali. Best time to visit Bali depends mainly on the weather and on high and low season. High season is during the months of July and August, during Easter Holidays, and Christmas / New Year (December till 1st week of January).

Bali Weather - Bali Travel Guide

Bali has long been a (if not, the) destination of choice for couples looking for a tropical getaway to spend their precious moments together. There's a bit of everything catering to romance. From dining venues where you can impress your significant other over candlelight or starlight, to dreamy setups on the sand where you can pop the big question or even tie the knot.
