Comics is a medium used to express ideas through images, often combined with text or other visual information. Frequently, comics takes the form of juxtaposed sequences of panels of images. Often textual devices such as speech balloons, captions, and onomatopoeia indicate dialogue, narration, sound effects, or other information. The size and arrangement of panels contribute to narrative pacing.

Comics - Wikipedia

A comic book or comicbook, also called comic magazine or simply comic, is a publication that consists of comic art in the form of sequential juxtaposed panels that represent individual scenes. Panels are often accompanied by brief descriptive prose and written narrative, usually, dialog contained in word balloons emblematic of the comics art form. Although comics has some origins in 18th ...
