The direct market is the dominant distribution and retail network for American comic books. The concept of the direct market was created in the 1970s by Phil Seuling. It currently consists of one dominant distributor (Diamond Comic Distributors) and the majority of comics specialty stores, as well as other retailers of comic books and related merchandise.

Direct market - Wikipedia

War of the Realms Helps Marvel Control Over 50% Market ...

By Benjamin Nobel, November 8, 2015 In 1979, something happened in comics that would change everything — Marvel made its first sales of distinct direct edition comic books to specialty comic shops, at discounted prices but on a non-returnable basis. That was a major development, because outside of some non-returnable comics produced for Whitman/Western Publishing...
