

Elizabeth Wurtzel Interview

Elizabeth Wurtzel Interview

Elizabeth Wurtzel was 27 when she published Prozac Nation, the genre-defining memoir that she now describes as “a joke that started the whole world crying.” In her unflinching account of her life up to that point—her difficult childhood, her turbulent time at Harvard, the “black wave” of depression that hung over her throughout it all—Wurtzel’s confessional prose was so ...

Elizabeth Wurtzel - Interview Magazine

Elizabeth Wurtzel interviewed by Liz Phair. Film A piece on the Interview Magazine website on the occasion of a reissue of Prozac Nation . This paragraph in particular resonated:

Elizabeth Wurtzel interviewed by Liz Phair. - feeling listless

Elizabeth Wurtzel. Elizabeth Wurtzel, the famously clinically depressed and drug-entrapped author of Prozac Nation and the new Bitch: In Praise of Difficult Women (Doubleday, \$23.95), showed a tidbit of her "difficult woman" persona by keeping me a half-hour in the lobby of her Boston hotel while she, in her room, applied make-up.

Gerald Peary - interviews - Elizabeth Wurtzel

Great interview. I can see how Elizabeth Wurtzel gets a rise out of people. She truly seems very interesting and unique. I think what she meant by those last couple of answers is that sometimes ego/alpha male attitude can get in the way with men when it comes to decision making, whereas women can put their ego away and come up with a solution faster.

Bitter Lawyer Loves Elizabeth Wurtzel - Part 1

Elizabeth Wurtzel’s cellular phone is ringing, and she doesn’t want to deal with it. “If it keeps ringing, I’ll turn it off,” she says, and then continues talking about the state of the pharmaceutical industry to a room full of NYU undergrads. But the ringing is persistent Mum dad download ...
