ICE's primary mission is to promote homeland security and public safety through the criminal and civil enforcement of federal laws governing border control, customs, trade and immigration.

Travel | ICE

Immigration to the United States is the international movement of non-U.S. nationals in order to reside permanently in the country. Immigration has been a major source of population growth and cultural change throughout much of the U.S. history. Because the United States is a settler colonial society, all Americans, with the exception of the small percent of Native Americans, can trace their ...
