Gameplay. Fate/stay night 's gameplay requires little interaction from the player as most of the game's duration is spent on reading the text that appears, representing either dialogue between the characters or the inner thoughts of the protagonist. Often, players will come to a "decision point" where they are given the chance to choose from options displayed on the screen, typically two to ...

Fate/stay night - Wikipedia

The story is set in a parallel world to original Fate/stay night, where the House of Einzbern summoned a Ruler rather than an Avenger in the Third Holy Grail War, and the Holy Grail was removed from Fuyuki City to Romania after the war. Thus the events of Fate/stay night and Fate/Zero never happened. It focuses on the conflict between the two opposing factions, Red and Black, each summoning ...
