The Hebrew Bible and the New Testament contain many passages outlining approaches to, and descriptions of, violent activities, centering on the ancient nation of Israel and their involvement with Gentile nations. They also provide civil guidelines on the subject of violent activity as it pertains to individuals within the nation, distinguishing individualistic from nationalistic actions.

Views on the authorship, origin, and historicity of the Fourth Gospel have changed drastically over the last century and a half. One hundred fifty years ago, if one had asked a New Testament scholar which of the four gospels gave us the most information about the life and ministry of Jesus, the answer would almost invariably have been, "The Gospel of John."

Liberal theologians generally accept the books of the Bible as historical documents, written by authors who were each motivated by a desire to promote their group's evolving spiritual and theological beliefs. Many have concluded that these two gospel traditions are so different that they must largely reject one as a useful source of information about the actual life and teachings of Jesus.
