Food Of Vegan Society Learn

Veganism is the practice of abstaining from the use of animal products, particularly in diet, and an associated philosophy that rejects the commodity status of animals. A follower of the diet or the philosophy is known as a vegan (/ ' v i: g ə n / VEE-gən). Distinctions may be made between several categories of veganism. Dietary vegans (or strict vegetarians) refrain from consuming animal ...

1. Animals Want to Live; They Love Life and Fear Death. We're taught to think of animals raised for food — if we think of them at all — as an abstract category: "farm animals" — the nameless, faceless herds and flocks whose generic characteristics are merely recycled through an endless stream of indistinct entities.

Vegetarian cuisine is based on food that meets vegetarian standards by not including meat and animal tissue products (such as gelatin or animal-derived rennet). For lacto-ovo vegetarianism (the most common type of vegetarianism in the Western world), eggs and dairy products, such as milk and cheese, are permitted. For lacto vegetarianism, the earliest known type of vegetarianism (recorded in ...
