Personal Finance articles, education, and tools spanning Banking & Loans, Careers, College, Credit & Debt, Insurance, Real Estate, Retirement, Small Business and Taxes

Personal Finance Articles & Financial Planning Tools ...

Financial planning is the task of determining how a business will afford to achieve its strategic goals and objectives. Usually, a company creates a Financial Plan immediately after the vision and objectives have been set. The Financial Plan describes each of the activities, resources, equipment and materials that are needed to achieve these objectives, as well as the timeframes involved.
