Product Summary. The Model 277EC Engine Idle Limiter is designed to help save fuel, reduce engine run hours, and reduce emissions by limiting the time that an engine is permitted to remain idling when the vehicle is parked. The installation of this unit will help to assure compliance with recent enacted laws regulating the allowable idle times of certain classes of vehicles.

Engine Idle Limiter | 5 or 10 minute versions available

Owners manuals. Searching for misplaced details about your Sea Ray, or just looking to keep all the facts in one place? Select a year and model from the options at right to access the Sea Ray Owners Manual of your choice, for models dating from 1977 to present.
