### **Manufacturing Consent Noam Chomsky**

Manufacturing Consent: The Political Economy of the Mass Media is a 1988 book by Edward S. Herman and Noam Chomsky, in which the authors propose that the mass communication media of the U.S. "are effective and powerful ideological institutions that carry out a system-supportive propaganda function, by reliance on market forces, internalized assumptions, and self-censorship, and without overt ...

One hundred and fifty years ago, the corporation was a relatively insignificant entity. Today, it is a vivid, dramatic and pervasive presence in all our lives. Like the Church, the Monarchy and the Communist Party in other times and places, the corporation is today's dominant institution. But history humbles dominant institutions. All have been crushed, belittled or absorbed into some new order.

The Wall Street Journal has a bias rating of "Center" according to AllSides. The Pew Research Center found that the Wall Street Journal is read by people of all political leanings and is the only news source that is more trusted than distrusted by people all across the political spectrum. There is, however, some debate but it has been accused of being biased to both the left and the right.

### Where do news sources fall on the political bias spectrum ...

Propaganda can affect millions of lives. Military, government and media propaganda can go hand in hand. Other times, media can be affected themselves by propaganda. This part of the globalissues.org web site looks into the very important issue of propaganda, including various elements of propaganda and some examples.
