On The Move A Black

MOVE is a black liberation group founded in 1972 in Philadelphia, Pennsylvania by John Africa (born Vincent Leaphart) and Donald Glassey, a social worker from the University of Pennsylvania. The name is not an acronym. The group lived in a communal setting in West Philadelphia, abiding by philosophies of anarcho-primitivism. The group combined revolutionary ideology, similar to that of the ...

Next Chess Move: The strongest online chess calculator

The first-move advantage in chess is the inherent advantage of the player who makes the first move in chess. Chess players and theorists generally agree that White begins the game with some advantage. Since 1851, compiled statistics support this view; White consistently wins slightly more often than Black, usually scoring between 52 and 56 percent.. White's winning percentage is about the same ...
