

Pediatric Dermatology Fourth Edition

Pediatric Dermatology Fourth Edition

"The third edition of Pediatric Dermatology is a great resource for clinical practice. It is also a wonderful review of pertinent pediatric dermatology topics for clinicians and residents who may be preparing for dermatology board examinations." Susan M. Sweeney MD, Journal of the American Academy of Dermatology, 2006, review of the 3rd edition

Pediatric Dermatology , 4th Edition - Mosby

"Pediatric Dermatology is an ideal book for me: it features lots of really good clinical photographs to illustrate the conditions, augmented with relevant (but not too much) text to back them up. The intended audience is paediatricians and GPs with a special interest in dermatology - but in reality it would be a good primer for those in ...
