Comic book collecting is a hobby that treats comic books and related items as collectibles or artwork to be sought after and preserved. Though considerably more recent than the collecting of postage stamps or books (bibliophilia), it has a major following around the world today and is partially responsible for the increased interest in comics after the temporary slump experienced during the 1980s.

Concert Bootlegs List 1971-1975. These are bootlegs with material from only one or two shows or from the same band. Bootlegs with material from several different concerts and from different bands are dealt with in the Live Compilations section (widespread use of "bonus" and "filler" tracks makes the line hard to draw). The order is as chronologic as possible.
