The soul retrieval can seem a bit like the return of the prodigal son. However you feel about it, its important to celebrate the return of your vital essence back to where it belongs - in the same way we would celebrate the return of a long lost loved one. People's reactions after their soul retrieval are very varied.

Soul Retrieval - Shaman Links

Effective PTSD Recovery with Shamanic Soul Retrieval "It is estimated that 70% of adults in the United States will experience one or more traumatic events in their lives, and 20% will go on to develop PTSD" 1 For individuals who suffer from PTSD and other psychological disorders, conventional treatment methods may not be enough to bring about balanced psychological and physical health.

Due to various experiences, particularly traumatic experiences, we lose a bit of ourselves. That's soul loss—you don't lose your soul, but you lose a piece of it. The task in healing is to get that piece or those pieces back and integrated with the person. There are a few ways to do soul retrieval, one of which I facilitated with Amy.

Soul Retrieval Can Heal Addiction, Trauma and Mental Illness - Here's How ... by Mateo Sol / 7 min read / 28 Comments Beneath most headaches is a heartache.

Soul Retrieval Can Heal Addiction, Trauma and Mental ...

I found this nifty article about core shamanism and PTSD over at Letters from Hardscrabble Creek. This makes me very hopeful, as PTSD treatment is something I want to do some research on once I have my counseling degree. (Neo)shamanism fits quite nicely into ecopsychology--in fact, the first anthology on ecopsychology includes an interview with...

Shamanism and PTSD - Therioshamanism

If you yearn for a fuller sense of vitality and connection to life, a soul retrieval can put you back on the path to healing your connections to yourself, your loved ones and to Nature. Once you make the decision and say yes to the Helping Spirits, you are already engaged in the energy of the healing so it is important to pay attention.
