"RT Tips" is an introduction to reader's theater, with advice on scripting, staging, and dramatic reading. It draws on my five years of professional experience in reader's theater as a performer and director, as well as many more years of scripting, leading workshops, and hosting the most popular reader's theater destination on the Web.

Reader's Theater Scripts and Plays. Readers Theater is a dramatic presentation of a written work in a script form. Readers read from a "script" and reading parts are divided among the readers.

Reader's Theater Scripts and Plays for the Classroom

Reader's theater is a strategy for developing reading fluency. It involves children in oral reading through reading parts in scripts. In using this strategy, students do not need to memorize their part; they need only to reread it several times, thus developing their fluency skills. The best reader's theater scripts include lots of dialogue.
