The Sun (2009) What red-blooded woman wouldn't have done the same? The Sun (2010) Many an aspiring, red-blooded young actor might have considered that as the pinnacle of their careers. Times, Sunday Times (2014) Now any other red-blooded man would probably be a bit shaken at having 15 feisty females chasing him round the furniture.

**Red-blooded definition and meaning | Collins English ...**

The fluid tissue that circulates through the body of a vertebrate animal by the pumping action of the heart. Blood is the transport medium by which oxygen and nutrients are carried to body cells and waste products are picked up for excretion. Blood consists of plasma in which red blood cells, white blood cells, and platelets are suspended.

**Blooded | Definition of Blooded at Dictionary.com**

My only criticism of RED BLOODED, and the reason this is a 4-star review rather than a 5-star, is that the character of Rourke, Jessica's mate, was sadly marginalized. Rourke is so fascinating and compelling a character that he is truly worthy of his own book in the series. If Ms. Carlson must stay true to her single point-of-view voice ...
