Renault Traffic Service | Renault Traffic Servicing ...

Renault vehicles (Except Kangoo) are subject to adaptive servicing requirements, as determined by the Oil Condition Sensor, and may require servicing prior to the standard 12 months or 30,000km service interval (For Clio R.S. & Megane R.S. (including EDC Cup) service interval is 12 months or 20,000km) Terms and conditions apply.

Capped Price Servicing - Renault Australia

Renault Service Intervals. My Diesel Scenic is coming up for 27000 miles. The handbook advises that the car has 18000 mile services but there is a free intermediate check at 27000 miles and there is space in the service book for this to be stamped. Renault dealer advises me that although this is still in the handbooks, they have advised that any cars after 2000 no longer need this check.

Built in an ISO 14001 certified factory, Trafic Phase 3 also includes more than 11% of recycled plastics and, better yet, 95% of its end-of-life mass can be re-used. All this earns the Trafic the right to carry the coveted Renault eco2 signature - through which we commit responsibly to the vehicle's complete lifecycle.

RENAULT TRAFIC PHASE 3 - vanarama.com

Renault has doubled the Trafic's service intervals to 12 months/30,000km. Renault is confident the engine can run long and hard and has doubled the Trafic's service intervals to 12 months/30,000km. This is up to three times the interval for some rivals and the first three services are capped at \$349 each.
