**The Long Road: A Postapocalyptic Novel by G. Michael Hopf ...**

I've very much enjoyed his other works featuring willi kraus - this was a very different sort of alternate history, taking place in the years prior to WW II, in a world where the north and south remain divided in the aftermath of the civil war - some of the writing was a bit stilted, some of the characters a bit cartoonish - but the premise was an interesting one, and it made for an enjoyable ...
