Earlier, I gave my list of the Best Atheism Books of the Decade. Now, the writers and readers of Prosblogion have given their own list of Best Philosophy of Religion Books of the Decade, in the comments here. I added up all the approving mentions, and here is the resulting list:

Best Philosophy of Religion Books of the Decade

In the ancient Greek world, religion was personal, direct, and present in all areas of life. With formal rituals which included animal sacrifices and libations, myths to explain the origins of mankind and give the gods a human face, temples which dominated the urban landscape, city festivals and national sporting and artistic competitions, religion was never far from the mind of an ancient Greek.
