Marriage Family and Kinship. Marriage. It has been generally assumed that the institution of marriage is a universal feature in human societies. Although many sociologists and anthropologists have attempted to provide definitions of marriage, none of them has been satisfactorily and sufficiently general enough to encompass all its various manifestations.

We are the charity that works with parents in England and Wales whose children are in need, at risk or are in the care system and with members of the wider family who are raising children unable to remain at home. We advise parents, grandparents, other relatives and friends about their rights and options when social workers or courts make decisions about their children's welfare.

Importance in Greek mythology and art. The Calydonian Boar is one of the chthonic monsters in Greek mythology, each set in a specific locale. Sent by Artemis to ravage the region of Calydon in Aetolia, it met its end in the Calydonian Hunt, in which all the heroes of the new age pressed to take part, with the exception of Heracles, who vanquished his own Goddess-sent Erymanthian Boar separately.
