As new vehicle prices continue to climb, many wonder how high MSRPs can go before the public decides to take a pass — assuming they haven't already. Sales growth is slowing, even in seemingly bulletproof markets like China. Even before this ominous backdrop unfurled, dealers were making noise about new car prices that had grown [...]

It's the birthday of the man who said, "Education is our only political safety. Outside of this ark, all is deluge." The father of American public education, Horace Mann, was born on this day in Franklin, Massachusetts, in 1796. He grew up without much money or schooling, and what he did learn, he learned on his own at his local library, which had been founded by Benjamin Franklin.

Lost Horizon, by James Hilton, free ebook. CHAPTER II. It was typical of Conway that he let the others waken for themselves, and made small response to their exclamations of astonishment; yet later, when Barnard sought his opinion, gave it with something of the detached fluency of a university professor elucidating a problem.

Restaurants & catering While public eateries existed in Ancient Rome and Sung Dynasty China, restaurants (we know them today), are generally credited to 18th century France. The genesis is quite interesting and not at all what most people expect. Did you know the word restaurant is derived from the French word restaurer which means to restore? The first French restaurants [pre-revolution] were ...
