From the Germanic word horn meaning "horn". This was an occupational name for one who carved objects out of horn or who played a horn, or a person who lived near a horn-shaped geographical feature, such as a mountain or a bend in a river.

The Meaning and History of Surnames - Behind the Name

Furthermore, a 1999 book by Michele Zackheim, Einstein's Daughter: The Search for Lieserl, argued that Lieserl was born with a mental handicap and died of scarlet fever in 1903 when she was nearly two years old (Lieserl was mentioned for the last known time in a letter from Einstein to Mileva on September 19, 1903). Others, however, have maintained that she was put up for adoption.
