### **When And Where Is The**

Now, keep in mind that this comma and period inside the quotation marks business is strictly American usage. The British don't do it that way. They are inclined to place commas and periods logically rather than conventionally, depending on whether the punctuation belongs to the quotation or to the sentence that contains the quotation, just as we do with question marks and exclamation points.

The Prepositional Phrase Recognize a prepositional phrase when you see one. At the minimum, a prepositional phrase will begin with a preposition and end with a noun, pronoun, gerund, or clause, the "object" of the preposition. The object of the preposition will often have one or more modifiers to describe it. These are the patterns for a prepositional phrase:

"Where I'm From" grew out of my response to a poem from Stories I Ain't Told Nobody Yet (Orchard Books, 1989; Theater Communications Group, 1991) by my friend, Tennessee writer Jo Carson. All of the People Pieces, as Jo calls them, are based on things folks actually said, and number 22 begins, "I want to know when you get to be from a place.
