Body painting is a form of body art where artwork is painted directly onto the human skin. Unlike tattoos and other forms of body art, body painting is temporary, lasting several hours or sometimes up to a few weeks (in the case of mehndi or "henna tattoos" about two weeks). Body painting that is limited to the face is known as "face painting". Body painting is also referred to as (a form of ...

Today in school we had a substitute teacher in one of my classes and I pulled an epic prank on the whole class. When he had to leave the classroom for a few minutes, I went up the whiteboard and wrote TROLOLOLOL in all caps (for those of you who don't know, this is the catchphrase of the Troll Face from Rage Comics).
